

The Priority of Proactive Prayer

Ryan Long - August 11, 2019

Two myths about God and temptation:

Myth #1: God tempts us (James 1:12-15)

- Am I being lead or am I being lured?

Myth #2: God does not lead us into difficulty. (Matthew 4:1-2)

How is Jesus guiding us to pray? And, what is a practical way to go about doing it? (Matthew 6:13)

- To pray like Jesus we must be proactive to oppose evil.

Remember:

- God tests.
- Satan tempts.
- Because we're enticed we must take action.

My Next Step(s)...

- ☐ I will attend The Grove Fall Kickoff on August 18 after worship.
- ☐ I will set aside a time each day to pray.
- ☐ I will memorize Matthew 6:9-13
- ☐ I will memorize *Matthew 6:13 (CSB)*
And do not bring us into temptation, but deliver us from the evil one
